WHO IS THE MAA?

The Martinez Arts Association is dedicated to making the arts accessible to all in our community. We achieve this by supporting education, public art, community events, and providing opportunities for local artists.

The Martinez Arts Association is a non-profit 501(c)(3) established in 1968, and operated by a team of dedicated volunteers. Our programs are made possible through donations and sponsorships from local businesses, and grants from city/county/state organizations. 100% of funding from these sources goes directly to support community programs.
